Case Study Project

Assignment #2

Sgt. Gerald McKinney and members of the Rhode Island State Police Gaming Enforcement Unit have agreed to speak with your group to discuss their data and processing requirements. They will be available on Wednesday February 11th at 9:00am.

Activities:

1. Based on the information you have gathered thus far, prepare objectives and conduct a needs analysis with the Rhode Island State Police Gaming Unit
2. Generate a report summarizing the results of what you uncovered from your interviews.
